SECTION II

PACIFIC DISTRICT PROGRAM

PACIFIC DISTRICT USA HOCKEY

Affiliates

The Pacific District is one of Twelve Districts established by USA Hockey and is composed of five (5) Affiliates which represent the States of Alaska, California, Nevada, Oregon and Washington; and one non-affiliated State: Hawaii.

Objectives

The objectives of the District are those contained in the USA Hockey Annual Guide as they pertain to the Pacific District for the purpose of supporting and managing competition for its common benefit. In achieving its objectives, the Pacific District expressly adopts USA Hockey's policy on zero tolerance, sexual abuse, physical abuse screening, hazing, and consumption/use/abuse of mood altering substances and codes of conduct as set forth in the USA Hockey Annual Guide.

Government

The affairs of the District shall be governed by the Board of Directors of the Pacific District, a Nevada corporation, pursuant to the USA Hockey Bylaws, Rules, Regulations and Policies as they may now exist or may hereafter be modified.

A. Board of Directors

The governing body of the District shall be a Board of Directors, which shall consist of the President of each of the Affiliates in the District, the District Directors, the District Registrar, and such others as the Board may appoint.

B. Regular Meetings

The Annual Meeting of the Pacific District shall be held prior to the USA Hockey Annual Congress, generally in May or June and the Mid-Annual Meeting shall be held in the fall, generally in October or November. The above referenced regular meetings of the Board may be held without call or notice provided that each Director shall receive at least fifteen days notice of the time, place and date of the meeting. Such notice may be given orally at a meeting at which all Directors are present. A majority of the authorized number of Directors constitutes a quorum of the Board for the transaction of business. A vote of the majority present in person at any regular meeting shall determine the action of the Board of Directors.

C. Special Meetings

Special Meetings of the Board of Directors may be called by any member of the Board of Directors on 24 hour written notice personally delivered, faxed, or sent by other electronic transmission, accompanied by written notice of the agenda item(s) to be discussed. Special Meetings may be held telephonically so long as all participating can hear each other. The Chair of the Board shall set the time, place, date and method of conducting any Special Meeting.

A quorum at such Special Meeting shall consist of 2/3 of the members of the Board of Directors. A vote of the majority of those present in person or by telephone taken in Special Meetings shall constitute action of the District. Each member of the Board of Directors shall have an equal vote on all matters coming before the body at all meetings. Robert's Rules of Order, the latest edition, shall govern the conduct of all meetings of the Board of Directors.

Should any affiliate president be unable to attend either a Regular or Special Meeting of the Board of Directors that Affiliate shall be allowed to designate another person to attend or participate. Such person who is attending shall be allowed a vote.

D. Rules and Regulations

At any Annual or Special Meeting of the Board of Directors, the Board may consider revisions to its Rules and/or Regulations. Any such revisions shall be submitted to the Board at least seventy two (72) hours prior to commencement of the meeting by e-mail, facsimile or first class mail to each Director and to District Member or Affiliate affected thereby. No matter relating to a financial obligation of an Affiliate to the District may be considered by the Board unless the Affiliate has been given no less than thirty (30) days notice of the financial obligation including a detailed statement of the obligation and the facts from which it arises.

E. USA Hockey District Directors

The Pacific District is entitled to elect representatives to sit on the USA Hockey Board of Directors. Such persons shall be elected by the District as provided by the USA Hockey Annual Guide, and pursuant to such other procedures as may be adopted by the Board of Directors of the District.

Election of Directors

The following agreement has been executed by the Pacific District Affiliates relative to the election of Pacific District Directors, USA Hockey:

1. Each Director shall be elected for a term of three years with the understanding that the terms shall be staggered. Elections for these positions will be for a term not to exceed three years. As of the date of publication of this Guidebook, the Directors and their terms of office are: Jon Gustafson - term ending June 2018, Dru Hammond - term ending June 2016, Donna Kaufman - term ending June 2017, and Kris Knauss - term ending 2017.

2. All elections held pursuant to this agreement shall be conducted by the USA Hockey Registrar for the Pacific District pursuant to, and according to, the USA Hockey Constitution and By Laws, and Rules and Regulations passed pursuant thereto, and the terms of this agreement.

3. In order to avoid a direct conflict of interest, upon election as District Director, the electee shall vacate any elected position held in an affiliate. No more than two Pacific District Directors may come from any one affiliate.

4. In a year in which this agreement requires that an election shall be conducted, the District Registrar shall inform the Affiliates of same at the Mid-Annual District (fall) Meeting prior to the election year.

5. Nominations for District Director shall be in writing and submitted to the Pacific District Registrar no later than December 31 of the current playing season. Each Affiliate Association shall be notified of the names of the nominees no later than February 15th. In the event there shall be no more than one (1) nominee for such position, the District Registrar shall declare that person elected, and inform USA Hockey of his/her election. No further balloting shall be held, and the provisions set forth below shall have no application

6. The District Registrar shall prepare a uniform ballot to be used by all voting associations, which shall be distributed, via email, to all local association registrars no later than April 1st of the current playing season. The ballots shall be returned, via email, to the District Registrar no later than May 1st of the current playing season. Election shall require only a plurality of the votes actually cast in the election.

7. The District Registrar shall count the votes cast, certify the election, and inform the Affiliates of the result of the elections no later than May 15th of the year in which the election is held.

8. In the conduct of all elections provided for herein, each association shall have one vote per registered participant member. The number of votes will be based on the number of participant members registered with the USA Hockey Registrar as of March 15th of the current playing season. In the voting for the Directors, there shall be no cumulative voting. Election shall require only a plurality of the votes actually cast, and failure of any association to cast votes shall be presumed to be an intentional act on the part of same, in the absence of evidence to the contrary.

9. This agreement, and all the terms thereof, shall be effective from the date of passage of a motion duly passed by the Pacific District Affiliates, and shall have the same force and effect as an agreement signed by the duly authorized representative of said Affiliate; and shall not be amended, modified, or changed in any way except by a Motion properly made and passed at an Annual Meeting or Mid-Annual Meeting of such group.

SECTION III
GUIDELINES

Registration of Teams and Players

The Pacific District defines youth “travel teams” as teams that register with USA Hockey as Tier I or Tier II. All other registered youth teams are defined as “recreational or house” teams.

Players and teams shall be properly registered in accordance with the procedures detailed in the current USA Hockey Annual Guide. Individual affiliates may have additional required procedures and fees which are included in their affiliate handbooks and the Technical Bulletins that accompany all copies of the Cyber Sport registration software. The collection method of Pacific District fees are also detailed in the Technical Bulletins.

Individual Affiliates may have additional requirements regarding team rosters for teams other than Tier I and Tier II teams as well as additional Affiliate fees. Contact your USA Hockey Associate Registrar regarding these requirements.

The registrations shall not be effective for any purpose (including insurance) until the appropriate forms (properly filled out) and fees are submitted to USA Hockey and/or the District Registrar or his/her designee.

District / National Tournaments

In order to be eligible for USA Hockey Tournament Playoffs, teams must be properly registered in accordance with the guidelines set out in the most recent edition of the USA Hockey Annual Guide. Conflict between guidelines set out in this Guidebook, or any other publications or oral statements, are to be resolved by reference to the USA Hockey Annual Guide.

For National Championship-bound teams, in order for score sheets to count in meeting the 20/10 Rule for Youth and the 14/10 Rule for Girls'/Women, that team's certified Player Roster form (1-T) must be certified by the District Registrar or his appointee prior to that game being played. Additions, deletions or other changes to the Roster will be allowed until December 31 of the current playing season (except for Classifications which have a later cut-off date). No player changes to the Roster will be allowed after the cut-off date under any circumstances.

Foreign Player Registration

Any player who is not a US citizen is required to comply strictly with the Rules and Regulations set out in the USA Hockey Annual Guide with regard to the eligibility of non-citizens. This eligibility must be in place by December 31 of the playing season. In addition, any player, age 10 and over, needs to be properly released and transferred.

District / National Declarations

In order to provide sufficient time to prepare for District and National Tournaments, each Affiliate shall declare all Tier I and Tier II youth teams planning to participate in the District and National Tournaments **no later than October 1** of the current playing season. All Girls'/Women's teams planning to participate in the District and National Tournaments shall indicate their intention **no later than October 1** of the current playing season. Any changes required after that date shall be granted only upon a written showing of good cause, and with the permission of the Pacific District Board of Directors.

Age Classifications

For a current listing of age classifications for the appropriate season, please refer to the current edition of USA Hockey's Annual Guide or the USA Hockey website: www.usahockey.com

Insurance Claims

Claims for reimbursement of medical expenses incurred for injuries should be initiated by filling out the excess accident claim form available from the local association registrar. **In the case of severe, life threatening, or injury claims that may exceed \$50,000, call or e-mail your District Risk Manager immediately. It is critical that any unusual events, which cause, or may cause, increased liability exposure to USA Hockey be reported immediately to your District Risk Manager.**

Financial Control Policies and Guidelines

Scope

It is the responsibility of all organizations within the Pacific District to establish and follow prudent guidelines in managing their assets. The purpose of this section is to provide minimum standard policy guidelines and recommendations for Pacific District organizations and their boards of directors. The Pacific District strongly recommends that, at a minimum, the financial control policies and guidelines set forth below are included in the organization's policies. Specific policies concerning

financial accountability and controls will vary depending on the size of the organization, whether it is non-profit or for-profit and other factors such as state and Federal laws governing the specific organization.

Recommended Financial Control Policies & Guidelines

1. **Financial Policies.** The board of directors of the organization should formulate financial policies for the organization. The administration of these policies may be delegated to a director or finance committee if the size of the board allows for such a committee.
2. **Segregation of Financial Duties and Responsibilities.** Financial responsibilities should be separated so that no one individual has sole control over cash receipts, disbursements and reconciliation of bank accounts. As an example, the individual signing the checks, making withdrawals and deposits and recording the disbursements and the deposits in the books should not be the same individual that reconciles the bank statements. If this is deemed to be not feasible for reasons unique to a given organization, fully documented bank reconciliations should be prepared by the Treasurer and audited by another board-designated individual prior to its joint presentation to the full board.
3. **Secondary Signatures.** Two signatures should be required on checks over a certain amount, where feasible. The amount may vary with the organization's budget. A recommended minimum amount is \$5,000.00.
4. **Financial Reports.** At a minimum, three primary financial statements should be prepared summarizing all of the financial transactions of the organization. These financial statements are a Balance Sheet, Income Statement and Cash Flow Statement (together the "Financial Statements"). The Financial Statements should be prepared periodically and submitted to the board of directors or its delegated representative(s) at regularly scheduled meetings.
5. **Financial Review.** The board of directors, or its delegated representative(s), should perform a semi-

annual review of the Financial Statements and bank statement reconciliations of the organization. The review of the Financial Statements and bank statement reconciliations shall be documented; their acceptance shall be attested to and maintained by the Treasurer.

6. **Publishing and Availability for Financial Information.** The most recent Financial Statements that have been accepted by the Board and/or directions on how financial information of the organization can be obtained should be posted on the organization's website.
7. **Screening.** All volunteers who have access to the financial assets of a member organization, or who perform audit or oversight functions of those assets for the benefit of the organization, shall submit to their Affiliate's rules and procedures for background screening of volunteers.

Conflict of Interest Policy

It is in the best interest of the Pacific District, USA Hockey ("Pacific District") to be aware of and properly manage all conflicts of interest. This **Conflict of Interest Policy** is designed to help board members, staff and volunteers of the Pacific District identify situations that present possible conflicts of interest and to provide the Pacific District with a procedure whereby such potential conflicts may be reviewed by an appropriate party when necessary. This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

1. **Conflicts of Interest Defined.** In this Policy, a person with a conflict of interest is referred to as an "Interested Person." For purposes of this Policy, the following circumstances shall be deemed to create a Conflict of Interest:
 - a. A director, officer, staff or volunteer, including a board member (or family member of any of the foregoing) is a party to a contract, or involved in a transaction with the Pacific District for goods or services.

b. A director, officer, staff or volunteer, (or a family member of any of the foregoing) has a material financial interest in a transaction between the Pacific District and an entity in which the director, officer, staff or volunteer, or a family member of the foregoing, is a director, officer, agent, partner, associate, employee, trustee, personal representative, receiver, guardian, custodian, or other legal representative.

c. A director, officer, employee or volunteer, (or a family member of the foregoing) is engaged in some capacity or has a material financial interest in a business or enterprise that competes with the Pacific District.

Other situations may create the appearance of a conflict, or present a duality of interests in connection with a person who has influence over the activities or finances of the Pacific District. All such circumstances should be disclosed to the board or staff, as appropriate, and a decision made as to what course of action the organization or individuals should take so that the best interests of the Pacific District are not compromised by the personal interests of stakeholders in the organization.

Gifts, Gratuities and Entertainment. Accepting gifts, entertainment or other favors from individuals or entities can also result in a conflict or duality of interest when the party providing the gift/entertainment/favor does so under circumstances where it might be inferred that such action was intended to influence or possibly would influence the interested person in the performance of his or her duties. This does not preclude the acceptance of items of nominal or insignificant value or entertainment of nominal or insignificant value which are not related to any particular transaction or activity of the Pacific District.

2. **Definitions.**

a. A "Conflict of Interest" is any circumstance described in Part 1 of this Policy.

b. An "Interested Person" is any person serving as an officer, member of the Board of Directors, staff or

volunteer of the Pacific District or a major donor to the Pacific District or anyone else who is in a position of control over the Pacific District who has a personal interest that is in conflict with the interests of the Pacific District.

c. A "Family Member" is a spouse, parent, child or spouse of a child, brother, sister, or spouse of a brother or sister, of an Interested Person.

d. A "Material Financial Interest" in an entity is a financial interest of any kind, which, in view of all the circumstances, is substantial enough that it would, or reasonably could, affect an Interested Person's or Family Member's judgment with respect to transactions to which the entity is a party.

e. A "Contract or Transaction" is any agreement or relationship involving the sale or purchase of goods or services, the providing or receipt of a loan or grant, the establishment of any other type of financial relationship, or the exercise of control over another organization. The making of a gift to the Pacific District is not a Contract or Transaction.

3. **Procedures.**

a. Prior to board or committee action on a Contract or Transaction involving a Conflict of Interest, a director or committee member having a Conflict of Interest and who is in attendance at the meeting shall disclose all facts material to the Conflict of Interest. Such disclosure shall be reflected in the minutes of the meeting. If board members are aware that staff or other volunteers have a conflict of interest, relevant facts should be disclosed by the board member or by the interested person him/herself if invited to the board meeting as a guest for purposes of disclosure.

b. A director or committee member who plans not to attend a meeting at which he or she has reason to believe that the board or committee will act on a matter in which the person has a Conflict of Interest shall disclose to the chair of the meeting all facts material to

the Conflict of Interest. The chair shall report the disclosure at the meeting and the disclosure shall be reflected in the minutes of the meeting.

c. A person who has a Conflict of Interest shall not participate in or be permitted to hear the Board's or Committee's discussion of the matter except to disclose material facts and to respond to questions. Such person shall not attempt to exert his or her personal influence with respect to the matter, either at or outside the meeting.

d. A person who has a Conflict of Interest with respect to a Contract or Transaction that will be voted on at a meeting shall not be counted in determining the presence of a quorum for purposes of the vote.

e. The person having a conflict of interest may not vote on the Contract or Transaction and shall not be present in the meeting room when the vote is taken, unless the vote is by secret ballot. Such person's ineligibility to vote shall be reflected in the minutes of the meeting. For purposes of this paragraph, a member of the Board of Directors of the Pacific District has a Conflict of Interest when he or she stands for election as an officer or for re-election as a member of the Board of Directors.

f. Interested Persons who are not members of the Board of Directors of the Pacific District, or who have a Conflict of Interest with respect to a Contract or Transaction that is not the subject of Board or committee action, shall disclose to the Chair, or the Chair's designee, any Conflict of Interest that such Interested Person has with respect to a Contract or Transaction. Such disclosure shall be made as soon as the Conflict of Interest is known to the Interested Person. The Interested Person shall refrain from any action that may affect the Pacific District's participation in such Contract or Transaction.

In the event it is not entirely clear that a Conflict of Interest exists, the individual with the potential conflict shall disclose the circumstances to the Chair or the Chair's designee, who shall determine whether full

board discussion is warranted or whether there exists a Conflict of Interest that is subject to this policy.

4. **Confidentiality**. Each director, officer, employee and volunteer shall exercise care not to disclose confidential information acquired in connection with disclosures of conflicts of interest or potential conflicts, which might be adverse to the interests of the Pacific District. Furthermore, directors, officers, employees and volunteers shall not disclose or use information relating to the business of the Pacific District for their personal profit or advantage or the personal profit or advantage of their Family Member(s).

5. **Administration of Policy**. Each board member, staff and volunteer shall be provided with and asked to review a copy of this Policy and to acknowledge in writing that he or she has done so.
 - a. Annually each director, officer, employee and volunteer shall complete a disclosure form identifying any relationships, positions or circumstances in which he or she is involved that he or she believes could contribute to a Conflict of Interest.

 - b. This policy shall be reviewed annually by each member of the Board of Directors. Any changes to the policy shall be communicated to all staff and volunteers

6. **Acknowledgement of Conflict of Interest Policy**. The undersigned hereby acknowledges that he or she has read the Pacific District Conflict of Interest Policy, has had an opportunity to ask any questions that he or she may have about the policy, and understands and agrees to comply with the policy.

Whistleblower Policy

This **Whistleblower Policy** of the Pacific District, USA Hockey (“Pacific District”): (1) encourages board members, staff and volunteers to come forward with credible information on illegal practices or serious violations of adopted policies of the Pacific District; (2) specifies that the Pacific District will protect the person from retaliation; and (3) identifies where such information can be reported.

Appropriate subjects to raise under this policy would include financial improprieties, accounting or audit matters, ethical violations, or other similar illegal or improper practices or policies. Other subjects on which the Pacific District has existing complaint mechanisms should be addressed under those mechanisms. This policy is not intended to provide a means of appeal from outcomes in those other mechanisms.
2. **Protection from Retaliation.** The Pacific District prohibits retaliation by or on behalf of the Pacific District against board members, staff or volunteers for making good faith complaints, reports or inquiries under this policy or for participating in a review or investigation under this policy. This protection extends to those whose allegations are made in good faith but prove to be mistaken. The Pacific District reserves the right to discipline persons who make bad faith, knowingly false, or vexatious complaints, reports or inquiries or who otherwise abuse this policy.

Insofar as possible, the confidentiality of the whistleblower will be maintained. However, identity may have to be disclosed to conduct a thorough investigation, to comply with the law and to provide accused individuals their legal right of defense.

3. **Where to report.** Complaints, reports or inquiries may be made under this policy on a confidential or anonymous basis. They should describe in detail the

specific facts demonstrating the basis of the complaints, reports or inquiries. They should be directed to the Pacific District's Chair of the Board of Directors or Treasurer immediately; if both of those persons are implicated in the complaint, report or inquiry, it should be directed to the Secretary. The Pacific District will conduct a prompt, discreet, and objective review or investigation. Directors, staff or volunteers must recognize that the Pacific District may be unable to fully evaluate a vague or general complaint, report, or inquiry that is made anonymously.

TRAVEL REQUIREMENTS

A. Permits

Travel permits are required for teams traveling to Canada or other countries (see Section C below). Affiliates are encouraged to develop their own travel permit procedures for teams traveling out of the District or Affiliate, if desired, to ensure that appropriate affiliate personnel are aware of the travel. Match penalties incurred in any games played outside of the Affiliate must be reported immediately to the appropriate authority. **NO AFFILIATE SHALL IMPOSE A TRAVEL FEE FOR TRAVEL TO A USA HOCKEY DISTRICT, REGIONAL, OR NATIONAL TOURNAMENT.**

B. Games with Teams from other Federations

Games against Canadian teams can be sanctioned with a Travel Permit or tournament Sanction Form, as appropriate. **All** games with teams from other federations, except Canada, including games played in this country, must be sanctioned as provided in the USA Hockey Annual Guide. The application for same shall be accompanied by a check for the amount set forth in the USA Hockey Annual Guide.

C. Summer Travel in Canada

Since the Canadian Amateur Hockey Association (CAHA) does not sanction any play during the summertime, and has no insurance coverage in effect during that period, there is no insurance coverage in effect for any USA Hockey member,

team, or association, which travels to and participates in Canada with another Canadian team or teams. While a team may be properly registered with USA Hockey during that period for all other competition, there is no insurance coverage for the competition mentioned above.

INVITATIONAL TOURNAMENTS

No Invitational Tournament may be held in the same week, and within 150 miles of, a USA Hockey District, Regional, or National Tournament.

All Invitational Tournaments hosted by USA Hockey registered teams shall be sanctioned in advance of the beginning of the Tournament as provided in the most current edition of the USA Hockey Annual Guide. As set out in that Annual Guide, a Tournament is defined as: **Competition, other than normally scheduled league or exhibition games, where three or more legally registered teams compete within a specified time frame for the purpose of declaring a champion. This shall include gatherings consisting of more than three teams, except Association Exchanges (limited to 2 Associations), even though there are no winners declared.**

Application for Sanctioning shall be made on a form provided by the Associate Registrar, and shall be forwarded to the Associate Registrar, accompanied by a check for the appropriate amount as set out in the USA Hockey Annual Guide. Tournament rules and a list of teams participating or invited shall be included with the form. As set out in said Guide, the rules and fees for Tournaments operated for profit are not the same as tournaments operated not for profit. Organizers of “for profit” Tournaments should contact the local Associate Registrar for information with regard to the sanctioning of those tournaments. All sanction fees should be paid at least 60 days prior to the start of the tournament.

Some affiliates may impose additional sanction fees.

1. Method of Determining Champion

The Champion of the Tournament shall be determined as set forth in the USA Hockey Annual Guide unless the Registrar

approves a different method at the time of the Sanctioning of the Tournament.

2. Credentials Committee

Every Sanctioned Tournament shall include a Credentials Committee that shall be appointed by the tournament Director as set out in the USA Hockey Annual Guide unless the Registrar approves a different method at the time of the Sanctioning of the Tournament.

3. Registration Regulations

All teams and players must be properly registered in accordance with the Regulations set out in the USA Hockey Annual Guide. Any deviations from those Regulations require the permission of the District Registrar prior to the first game of the Tournament.

4. Playing Rules

The Official USA Hockey Playing Rules shall be used in all classifications. Changes, deletions, or additions to those rules require the prior approval of the District Registrar.

5. Referees

Only USA Hockey registered officials shall be used in USA Hockey sanctioned Tournaments. All referee and linesmen are required to wear only USA Hockey crests on their referee sweaters. The District Registrar and District Referee in Chief prior to the Tournament must approve any deviations from this requirement.

6. Discipline Committee

Every Sanctioned Tournament shall include a Discipline Committee that shall perform the duties and responsibilities as set out in the USA Hockey Annual Guide unless the Registrar approves a different method at the time of the sanctioning of the tournament.

The USA Hockey National Tournament Director may grant a waiver of this provision upon a showing of good cause. Failure to comply with ice sheet availability may result in the Tournament Director declaring a forfeiture of the right to host the tournament, and the Board of Directors awarding the Tournament to a new host association.

All teams will be credentialed by the authorized person in each Affiliate. The certified credential sheet will be forwarded to the District Registrar within 48 hours of the start of the District Tournament. All teams must have their credentials available at the Mandatory Coaches meeting that is conducted prior to the tournament.

For specific requirements refer to the USA Hockey Annual Guide section titled "Credential Requirements of Teams for Districts and Nationals"

(a) To verify a team's eligibility a credentials review shall be conducted by the District Registrar or his appointee.

(b) Credentials information will be organized in a Three-ring notebook with team materials placed first followed by individual player materials (organized alphabetically or by team roster).

(c) All score sheets will be arranged in order of the dates played from the earliest to the latest. Score sheets must verify that the team has played a minimum of twenty (20) games and that each player has played in a minimum of ten (10) games for that team in the youth and Junior Classifications; and, in the

See Registration of Teams and Players (above), and the USA Hockey Annual Guide, Districts and Nationals.)

Note:

It is strongly suggested that participating teams provide more than the required number of score sheets in the event that any score sheet shall be disallowed or found to be invalid.

4. Coaches

If it is necessary to add a coach to a team roster it must be done at least 24 hours prior to the mandatory coaches' meeting.

A meeting of all coaches participating in the tournament shall be held prior to the start of play at a time and place to be set by the Tournament Director. The tournament Director shall have discretion to allow exceptions to this provision upon a showing that the failure has occurred as a result of circumstances beyond the control of the Coach(s) and/or team in question. See below for rules with regard to disqualification and substitution of coaches on the bench.

5. Alcohol

Alcohol consumption is not allowed during any official function at the hotel or playing venue. Associations are never allowed to sell alcohol by the drink. Should the Host Association choose to arrange for the provision of alcohol for informal gatherings of adults outside of the presence of minors, it must be done through an outside vendor **who must provide evidence of liquor liability coverage**. Alcohol provision by the Host Association is allowed in unusual circumstances but only after it has been pre-approved by the District Risk Manager.

6. Game Procedure

The head coach of each team must review the score sheet and sign it prior to the start of each game.

In the event the rostered coaches for a team are unable to be on the bench because of disqualification, illness, accident, or other happenstance, a person to be designated by the team, with the approval of the Tournament Director, may be allowed to act as the coach of that team for that particular game or games. Any person so designated shall, in the absence of exceptional circumstances, possess a coaching credential at the level mandated by the District.

Every game in a 2 or 3 team format shall be played until a winner is declared under the National Tournament guidelines.

7. Discipline Committee

- (a) The Discipline Committee for each Affiliate, District or National Championship shall be composed of three (3) people and be appointed prior to the first game by the on-site Tournament Director. Its members shall not come from the same community. The referee-in-chief, or his/her appointee, shall not be eligible to serve on the Discipline Committee.
- (b) The Discipline Committee shall be responsible for deciding any action, suspensions or otherwise, to be taken against a player or team official to be served during the tournament in question. The Discipline Committee shall have full power to waive or increase

the one- or two-game suspension imposed in Rule 404(b) Game Misconduct.

- (c) The Discipline Committee shall have authority to initiate action involving supplementary discipline against a player or team official whether or not it involves the playing rules; provided, however, that no suspension shall occur without first giving notice of the intended action and providing the opportunity for a hearing.

8. Cancellation of Games

Scheduled Tournament Games in which neither team can advance in the Tournament nor in which the result of the game can in no way affect the status of other teams advancing may be canceled by the Tournament Director on appropriate notice to both teams.

No noisemakers are allowed at the tournament — the tournament director or appointee has the final say as to whether the item is a noisemaker.

Affiliate Player Development Tryout Camps: Each Affiliate is required to conduct a tryout camp, at every age level for which USA Hockey hosts a National Player Development Camp as well a Multi-District Player Development Camp, to evaluate and select players who will advance to the Pacific District Player Development Camp or Western Regional Select 14 High Performance Camp. The format of the Affiliate Player Development Tryout Camps is to be presented to the Pacific District Board at its fall meeting. The Affiliate Player Development Tryout Camps shall occur no later than the last full weekend in January. With prior approval from the Pacific District Player Development Administrator, Affiliates may conduct combined camps. In conducting the Affiliate Player

Development Tryout Camps, the Affiliates shall use the registration software approved by USA Hockey for the National Player Development Camps.

Affiliate Selections: Each Affiliate shall, based on their individual allocations, email a list of nominated players with numerical ranking selected to advance to the Pacific District Player Development Camp and Western Regional Select 14 High Performance Camp, including alternates (“Selection List”) to the Pacific District Player Development Administrator no later than February 1 for Select 15, 16, & 17 age levels; and no later than April 15 for Select 14 age levels.

If an Affiliate fails to meet the deadlines of player nominations to the Pacific District Player Development Administrator, the Affiliate shall then forfeit their allocations to the Pacific District Player Development Administrator in which he/she may nominate players within the Pacific District on an At-Large basis at his/her discretion. Additionally, if an Affiliate nominates a player on their Selection List that does not meet Pacific District Handbook requirements, that affiliate shall forfeit their allocation to the Pacific District Player Development Administrator for lack of due diligence and be required to notify the player in question.

Injured players who are not able to attend the Affiliate Player Development Tryout Camps in the Affiliate in which they play in are to be evaluated by that Affiliate to be included or excluded from that Affiliate’s Selection List. Any player that resides in a Pacific District Affiliate, but plays in another USA Hockey Affiliate or District, other than the Pacific District, or in another country, shall be evaluated by the Affiliate in which they reside to be included or excluded from that Affiliates’ Selection List. The Affiliate shall also provide the Pacific District Player Development Administrator a list of injured players and/or players playing elsewhere that were not included in the Selection List.

Nominated Personnel shall reside in the Pacific District.

Pacific District Selections: The Pacific District Evaluation Teams shall prepare a list of players that are nominated to advance to the USA Hockey National Player Development Camps, including alternates, based on District Allocations provided by USA Hockey. The Pacific District Evaluation Team may also select additional players to attend such other development camps & festivals as may be approved by the Pacific District.

Injured candidates and candidates playing outside the Pacific District, who are not able to attend an Affiliate Player Development Camp may request a direct nomination to the Pacific District Player Development Camp. The Pacific District Player Development Administrator will assist candidates playing outside the Pacific District to participate in a tryout in the district or affiliate where he/she is playing that season. This evaluation will be used in the Pacific District Player Development Camp Selection Process. There is no guarantee that the injured candidate playing outside the Pacific District will be given a District spot to the USA Hockey Player Development Camps regardless of his/her prior years' performance. Additionally, consideration will be given to any Affiliate recommendation provided for such a candidate.

Western Regional Select 14 High Performance Camp: In cooperation with the Rocky Mountain, Northern Plains, and Pacific Districts, USA Hockey promotes multi-district player development camps to fulfill the absence of a USA Hockey Select 14 Boys' National Player Development Camp. This arena provides elite level players an opportunity to compete and develop against the best players in the western United States.

The Pacific District Player Development Administrator shall determine allocations for each state/affiliate for the Western Regional Select 14 High Performance Camp ("WR14"). Additional allocations may be provided to the Pacific District should other Districts return unused allocations.

A minimum of four (4) coaches shall be selected from the Pacific District for the WR14 Camp by the Pacific District Player Development Administrator with concurrence of the WR14 Camp Director. All nominated coaches shall be at a minimum CEP Level IV for at least three (3) years and/or may have junior, collegiate, or professional level coaching experience.

SECTION V

MISCELLANEOUS INFORMATION

AWARDS

Each season the District shall present the following awards as voted on by the Presidents of the Affiliates at the Winter meeting.

The cost of such awards shall not exceed \$500.00

Andy Anderson – Outstanding Administrator in the District

Andy Anderson was a pioneer in setting the stage for organized youth hockey in the greater Seattle area. Andy went out looking for kids to play hockey. He would arrange for ice time, coach the kids and manage the teams, all at his own expense.

Andy was respected by players, parents and all who came in contact with him. Many players went off and played Canadian junior hockey, college hockey and some played professionally, only to return to their roots and give back to the hockey community.

Andy will be remembered for his passion and love for the game, his dedication to the youth and helping them grow from boys to men and becoming outstanding citizens in the community.

Dempsey Anderson – Outstanding Coach in the District

There are many attributes that mark a “successful” coach. The one that matters most is the ability to get athletes to achieve at a level higher than they thought possible.

Dempsey Anderson had this leadership ability. He encouraged players to bring their game to the next higher level and believed that hockey was a game that should be fun and his style of coaching reflected this philosophy.

Dempsey spent a lot of time coaching coaches. He instructed, counseled, offered advice and discussed coaching philosophies with both new and veteran hockey coaches.

Dempsey Anderson was the epitome of what a coach should be – kind, caring, considerate, compassionate and passionate about the game of hockey. In short, he talked the talk, but more importantly, he walked the walk.

Pete Anderson – Outstanding Referee in the District

Pete Anderson has served USA Hockey and the local and state hockey community for many years. Pete’s contributions to hockey focus on the officiating area, not just as an on-ice official, but as a Pacific District Referee-in-Chief. This position made him responsible for the supervision and development of officials in the states of Alaska, California, Nevada, Oregon and Washington. Pete treated his involvement in the local and USA Hockey community as a full time job.

Pete recognized the fact that referees were not a popular figure on the ice, but it came with the job. Pete, however, was always respected by those in the hockey community and universally appreciated by those in the officiating community.

Thanks to Pete’s commitment, many officials advanced to the Western Hockey League, West Coast Hockey League, International Hockey League and even the National Hockey League. Officials were also rewarded, with Pete’s guidance, opportunities to referee at international tournaments around the world, including the Olympics.
